Students of the Month

November 2014

Citizenship is the process of being a member of a neighborhood, a city, a community, a state, a nation. It is how we make society work, together. A good citizen is someone who:

- cares about the feelings and rights of others
- shows concern for the safety and well-being of others
- stays informed about issues and voices their opinion
- votes
- uses their skills to make a better community

“Citizenship is more than an individual exchange of freedoms for rights; it is also membership in a body politic, a nation, and a community.”

~Melissa V. Harris-Perry

The following students have been nominated by the staff at Dryden Junior/Senior High School because they exemplify what CITIZENSHIP is all about:

HSSC has been busy painting their bricks in the classroom to create memories for generations to look back on.

ACT Prep students increased their ACT English test scores from pre-test to post-test!
Through the generosity of the Cabot Creamery Cooperative, the Dryden High School Drama Class presented *Midsummer City*, an updated version of *A Midsummer Night's Dream*, for the Dryden Elementary School 6th grade students on December 17 at 9:30 a.m. in the Dryden High School Multi Purpose Room.

A contemporary, urban take on Shakespeare’s *A Midsummer Night’s Dream*, this play is specifically adapted to engage middle school students. It features love-crazed space aliens, star-crossed teenagers, loggers moonlighting as Catskills lounge lizards, a romance between a judge and a hip-hop queen and the heroine, Mia Estevez, facing the dreaded prospect of a Quinceañera in combat boots. If it sounds absolutely crazy and fun, it is!

Cabot Creamery Cooperative’s ‘Free Plays’ is a fun and entertaining way for schools, drama clubs and community groups to raise money, raise the roof and raise a rabble through live theater. Cabot provides all the artwork for posters, tickets, ads and programs. All the school or group needs to do is provide the thespians, rehearse and conduct the play. Cabot has a long history of investing in communities, particularly in the arts. *Midsummer City* provides young people with a great opportunity for fun, fantasy and a fabulous time.
